Subject: Inviting nomination of one senior faculty from higher education institutes in 2nd phase for the implementation of 'National Innovation and Startup Policy' for student and faculty in HEIs (NISP)- Reg.

Dear Sir/ Madam,

As a part of NISP campaign, 2nd phase invitations of faculty nominations are open. I request all higher education institutes to nominate one senior faculty for NISP implementation at your institute/ university in current academic year. The faculty will be responsible for coordinating NISP implementation related activities in your institute.

In case the institute has already nominated a faculty in phase-I, no fresh nomination is required.

Nominations can be submitted at
mic.gov.in/start-up-policy/nominate-faculty-for-nisp

The nominated faculty should have understanding and experience in innovation/ intellectual property Rights/ Entrepreneurship/ Startups.

Last date for submission of 2nd phase nominations: 15 November, 2020

Online training programs for nominated faculty: **January- February, 2021**

Ministry of Education is keen on ensuring adoption of NISP by all the HEIs in a time bound manner. We are happy to share that large number of Higher Education Institutes (HEIs) have already nominated the faculty in 1st phase of nominations and have also started implementing the policy within their campus.

Following the nominations, faculty will get the opportunity to participate in orientation, skill development training sessions conducted by Innovation cell of Ministry of Education and AICTE. These activities/ sessions would address various aspects related to vision building exercise; logic modeling for policy development; policy implementation approaches; monitoring and impact evaluation methodologies/ tools; program management techniques; writing policy case studies, etc.

List of faculty nominated already by HEIs during phase-I invitation is available at
